RUKRA FIREMAN CARPANEL

The RUKRA Fireman carpanel is made of high quality vertically brushed stainless steel.

The speak button is equipped with two normally open (N.O.) contacts and also there are red LEDs (12-24VDC) present in the speak button.

The panel is engraved with high-quality color pictograms according to the NEN 81-72.

On request, the car panel can be branded with your own logo or other dimensions.

The panel is supplied with 4 stainless steel roundhead imbus screws (M5 * 40mm).

**DURABLE AND
MAINTENANCE FREE**
